
1) HOTEL DETAILS DIRECTORY: An easy to use quick search engine that allows you to locate hotels on the web, as well as by telephone or fax, that would be listed in our database. 2) SITES LIST: View sites as links directly on the page and on the screen. 3) DESCRIPTION LIST: View descriptions and contact information for each listing in our database. 4) FACTS & FIGURES: View with the addition of a photo, whether the hotel has an A/C or heat, and cost to stay. 5) SEARCH BY ADDRESS: Simply enter an address and the list will show you the sites that match. You are looking at Hotel Details Database 1.0a. This is a small download (about 3.2mb) that will allow you to not only search our database, but also use our simple search engine to find the details of each hotel or motel, as well as access the direct links for each listing. If you liked Hotel Details Database 1.0a, check out our other products. We have a PHP script available that will allow you to access the database as a calendar that you can add events to or invite others to. We have a php script that will provide the same functionality as the Hotels Page but that can be downloaded as a web page instead. Please send us an email if you need any help with the download or using the database. We make you a little more knowledgeable about places to go to, things to see, foods to eat, and much more. As well, you will receive a newsletter with our newest products, ideas, and other info. We will NOT share your information with anyone else, unless you ask us to. Do you really want to know how to use this database? In the FAQ section we cover all of the functions of the hotel directory, and more! Feel free to browse through our other products, or search our site for more great tools. If you have any questions about our products, please email us at support@webdevelopersnotes.com. Stay in touch Keep up with all that we're doing! We will send you an email newsletter once a week with a recap of the week, information about our newest products, and other fun stuff! We never share your info with anyone, so you can unsubscribe from our list at any time. All of the information contained 70238732e0 [Uga Uga Novela Torrent Downloads!](#)
