Hey all, I'm trying to make my own trainer for Fifa manager 13 at the moment and am having problems with the cheats. Some of the cheats work fine like or None, Fifa as well as some of the others like Top Scorer. But some others are not responding at all, cannot access them from the map. If anyone can help I'd be very thankful. All trainer codes can be found on this site Fifa manager 13 trainer support all football manager 13 trainers on ios and android.and is compatible all trainers and hacking Oct 27, 2012 .
