
Aurangzeb Movie Torrent

An undercover cop infiltrates a gangster's family as his son. This is set in place. The Kingdom does not know Kinship, and there can be only one Emperor in the world of Aurangzeb. In The Avengers, we are shown that sometimes it pays to be cruel, because the world must bear destruction in order to be reborn in the future. However, despite this, there are things that should not be done - killing children (as Aurangzeb did when he ordered his son to be thrown from the tower), torturing someone, even if you are a policeman, or killing someone, even if you enemy.
