Instrumentación quirúrgica: Volumen 1. Year: 2000 How can I use this book on my Kindle without getting rid of the covers? If you have the books on the Kindle app on your phone or tablet, you can change the covers on the Kindle itself, and they will stay there. If you use the Amazon app on your phone or tablet, the books will be added to the app's library, and be downloaded to your Kindle for you. ... I don't see it on my app? Then it is because you don't have the books in your Amazon library, you can add them by going to... on your Kindle. You can then use the buttons in the upper right corner of your screen to move the books to your home page and add them to your library. I own all of the books that the app covers, but still can't find them. This happens when the books are hidden by the Amazon covers. When you click on the books you want to add to your library, they will show up on your home page in a cover 54b84cb42d
