Founded in 2012, Gigantic is a multi-platform broadcast and digital video production and distribution company. Its premier service, Gigantic, is an exclusive network of short-form digital video creators and publishers curated by women. In 2018, Gigantic became one of the first short-form video networks to produce live global video events with a unique, never before seen, focused social media and digital forum experience. Over \$24 million in production costs have been raised in the past year with more than \$15 million in 2018 alone. GROWING FROM 30,000 USERS IN MAY OF 2018 TO 80,000 USERS IN MARCH OF 2019, the goal of Gigantic is to cultivate and promote the voices of women. Driven by unapologetic beauty and the desire to celebrate their authentic beauty stories, users of the Gigantic platform have generated a viral conversation that has had an overwhelmingly positive effect on many women's lives. Gigantic has a focused social media and digital forum experience that empowers users. To date, 92% of daily Gigantic content engagement is happening on Facebook (FB). The Gigantic video platform is showing an eight-fold ROI in 2019. Reporting to the Executive Producer, the Associate Producer will lead the production of content for Gigantic. The Associate Producer is a driven, collaborative leader with a demonstrated history of managing projects for brands in the technology space. This individual will have the opportunity to cultivate her leadership abilities and further develop her skills in digital media and event production, content creation and revenue-generating opportunities. RESPONSIBILITIES: \* Collaborate with Director of Content to develop and produce an array of original programming under the edicts of our content strategy and content creation philosophy. \* Run and supervise creative team and execute all the necessary operational elements to develop and produce content for the Gigantic network.
