And if you’re a fan of the character, and have been on pins and needles waiting for this announcement, you’re in luck. It turns out that Marvel has actually released an official synopsis for the new Doctor Strange movie! It’s a little brief, but it does fill us in a bit more about the story. The official synopsis reads: Marvel’s Doctor Strange is an adventurous tale of spell-casting and heroism in the mystic world of Kamar-Taj. When brilliant surgeon Doctor Stephen Strange loses everything in a tragic turn of events, he leaves New York for a life of healing and enlightenment in the wondrous surrounds of Nepal. There, the courageous Dr. Strange is introduced to the mystic world of Kamar-Taj, where he learns that att
