Being a Guardian is the ultimate test. We are the heroes that stand against the evil in Endoria. Our heroic quest takes us through a world gone mad. Join us on an adventure you won't forget! The main inspiration for this game was making something that was not only good but something that I want to make. It's still WIP, but I'm going to go as far as I can to make sure it's good. This game is really a first draft, but I've still got a lot of work to do. I'll try my best to catch up to that. Updated to 11/27/2018 Partial Quest 1 Download. Partial Quest 2 Download.
